Who will pay the Shipping Costs?

*Hidaya Foundation asks that our donors kindly chip in with an additional monetary donation along with their in-kind items by paying **\$1 per pound** for shipping costs.*

Due to rising costs for this project, (which include costs for shipping, trucking, customs, labor, and warehouse rents) Hidaya is appealing to donors to please help keep this project sustainable by donating towards Hidaya's **Container Shipment for In-Kind Donations** project.

All donations are Tax-Deductible, a receipt will be issued upon giving your donation, or you may print one from www.hidaya.org to fill out and bring with your donation.
