Each project is fully documented in the form of a Standard Operating Procedure (SOP) to maintain project implementation quality, in turn minimizing overhead costs. These SOPs outline the full life cycle of every project that is undertaken by Hidaya. SOPs include the Scope of Work given to Field Operations, Project Proposals with Field Operation Details and Execution Milestones submitted by Field Operations before Project Execution, Management Approvals for Project Proposals, Monthly Project Reviews and Final Project Reports. Beneficiaries are required to complete standard application forms which are investigated, reviewed and approved by management before assistance is provided. All operations are audited yearly by a third party auditor.

Putting Things in Perspective

Reason for Our Existence
 "Verily! We have made that which is on earth as an adornment for it, in order that We may test them (mankind) as to which of them are best in deeds." [Al-Quran 18:7]
 "And I (Allah) created not the jinns and humans except they should worship Me (Alone)." [Al-Quran 51:56]
 "And Allah has Created the heavens and the earth with truth, in order that each person may be recompensed what he has earned, and they will not be wronged." [Al-Quran 45:22]

Hardships Are a Trial
 "And certainly, We shall test you with something of fear, hunger, loss of wealth, lives and fruits, but give glad tidings to As-Sabirin (the patient ones, etc.);" [Al-Quran 2:155]
 "And whatever of misfortune befalls you, it is because of what your hands have earned. And He pardons much." [Al-Quran 42:30]

Wealth is a Trial
 "The mutual rivalry for piling up of worldly things diverts you, Until you visit the graves (i.e. till you die). Nay! You shall come to know! Again, Nay! You shall come to know! Nay! If you knew with a sure knowledge (the end result of piling up, you would not have occupied yourselves in worldly things). Verily, You shall see the blazing Fire (Hell)! And again, you shall see it with certainty of sight! Then, on that Day, you shall be asked about the delight (you indulged in, in this world)!" [Al-Quran 102:1-8]

Sadaqah can Save You
 "Those who spend their wealth (in Allah's Cause) by night and day, in secret and in public, they shall have their reward with their Lord. On them shall be no fear, nor shall they grieve." [Al-Quran 2:274]
 The Prophet Muhammad, peace be upon him, said "Give the Sadaqah (charity) without delay, for it stands in the way of calamity." (Tirmidhi #1887)

Supplication in Times of Trial
 Upon the authority of Ibn Mas'ood the Messenger of Allah (peace be upon him) said: "No slave is afflicted with anxiety and grief, and then says: 'O Allah, I am Your slave, son of Your male slave, son of Your female slave. My forehead is in Your hand. Your judgment upon me is assured and whatever you have decreed for me is just. I ask You by every name belonging to You which You have named Yourself with, revealed in Your Book, taught one of Your creation or which You have preserved in the knowledge of the Unseen with You that You make the Qur'an the spring of my heart and the light of my chest, a banisher for my grief and a reliever for my anxiety.' Except that Allah will replace his distress and grief with joy." (Imam Ahmed, Musnad 1/391)

Our Moral Responsibility
 "Verily! Man is in loss, Except those who believe and do righteous good deeds, and recommend one another to the truth, and recommend one another to patience." [Al-Quran 103:1-3]
