Hidaya Trust Coronavirus Expedited Distribution Standard Operating Procedure through Places of Worship

This standard operating procedure (SOP) covers the steps Hidaya team will be taking to expedite its distribution process to reach maximum deserving citizens in the shortest possible time while meeting door-to-door distribution requirements imposed by all District managements. Following actions are required to execute the project:

1. Identify the Place of Worship, such as Masjid, Mandir or Church, for distribution at the districts Hidaya has its offices.

2. Meet with administration of the place of worship and invite them to partner with Hidaya for distribution in their neighborhood. Once agreed, they will form a 3-member committee and sign the partnership agreement with Hidaya Trust. The Committee’s task will be to identify deserving households and distribute ration to them. In case of Masjid, the committee must comprise one member from the Masjid Administration, Imam, and Muazzin of the Masjid.

3. Hidaya Trust will form a liaison team who will be communicating solely with these committees and their contact information will be shared with the committees. The team will explain the SOP to the committees, get the partnership agreement signed, provide the forms for collecting deserving household names, getting the list approved by the management, providing the approved list (in triplicate) back to the committees, arranging the ration drop off at the place of worship, monitor distribution, arranging for police protection if needed, and getting back the list of all household recipients. The committees will be encouraged to send SMS messages rather than calling as traffic might be heavy and they may not reach the team on time.

4. There will be four separate forms for the committee to fill for the following category of beneficiaries:
   a. widows and guardians of orphans
   b. sick who cannot work
   c. elderly above 60 years
   d. general public whose income has stopped due to lockdown

5. Hidaya Trust management will approve the list. The committee can re-submit the list with any additional names at a later date. Three copies of the approved list will be signed by Hidaya management and provided to the committee. One copy will be enclosed in a plastic sleeve for posting on the place of worship notice board. Second copy will be for the place of worship and the third copy will be returned back to Hidaya after distribution showing the status.

Revision: 01 Dated April 3, 2020
6. After approving the list, Hidaya will attempt to provide ration in 2 days or earlier to the place of worship for distribution for each household.

7. The committee will further distribute the package to the approved families at their door steps or at the place of worship in an orderly fashion keeping safe distancing as per the guidance from the District Management.

8. The committee must report back within 2 days of the completion of the distribution to Hidaya Trust by returning one copy of the approved list along with any remainder of the left-over ration.
